# FROM THE EXECUTIVE DIRECTOR

This has been another successful and adventurous year for Jefferson County Child Development Council, Inc.

With our continuous improvement standards for this year, we continue to accomplish our mission, values, and goals of making a difference in the lives of families and children within the communities of Jefferson County.

Through the ongoing efforts of our Executive and Leadership Teams, our dedicated staff, instrumental Policy Council, and community members, we are making great strides in bringing the Head Start/Early Head Start models to life in which every child, regardless of circumstances, has the ability to reach their full potential.

With collaboration and stellar leadership, our program continuously provides families and children access to high quality early educational programs and nutritionally balanced meals in their earliest and most vulnerable years. We make a positive difference in the lives of children by the dedicated work and educational experiences we provide on a daily basis. Our Federally funded programs are the foundation that builds our children and prepares them for future success.

As we all know, young children today are our future tomorrow. Investing in children is why we are committed to providing comprehensive services with excellence! Jefferson County Child Development Council will continue to seek new funding opportunities as a platform to build upon existing services and expand into providing additional services for our Jefferson County community. Before, during, and beyond COVID-19, JCCDC remains committed to our stakeholders: our children and families, our staff, and our community.

Please continue to follow us on our unwavering path to ensuring continued positive and lifelong impact in the lives of the children and families we proudly serve.

Thank you.

# PROGRAMS

## HEAD START FAMILY CHILD CARE PROGRAM

The JCCDC Head Start Family Child Care (HSFCC) Program was originally founded in 1984 to serve 100 children. As of the 2019-20 fiscal year, the program now serves 240 children. Full-day, full-year childcare is provided near the residences of enrolled children in licensed family childcare homes where no more than six (6) children are enrolled or licensed family group homes where 12 or fewer children are enrolled.

## CHILD NUTRITION PROGRAM

Since 1977, JCCDC has served as a sponsor for the Child Nutrition Program (CNP) under the United States Department of Agriculture (USDA) for licensed family childcare homes. The Alabama Department of Education, Office of Child Nutrition contracts with JCCDC to provide this service in Jefferson, Shelby, Walker, St. Clair, and Blount counties.

JCCDC contracts approximately 130 licensed family childcare and group homes for CNP services. The goal of the Child Nutrition Program is to improve nutritional status and diets of young children.

## EARLY HEAD START FAMILY CHILD CARE PROGRAM

JCCDC became a grantee for the Early Head Start Family Child Care (EHSFCC) Program in 2010 to provide comprehensive child and family development services for low-income pregnant women and families with infants and toddlers from birth to three years of age. The Early Head Start (EHS) Program serves 36 infants and toddlers and 6 pregnant women. JCCDC is the only Head Start grantee funded to serve Head Start eligible children and families solely in a full day family childcare setting.
